

## GAME DAY PROGRAM / AD BOOK ADVERTISING

Dear Business Owners, Parents, Supporters and Fans,

This fall, the Raynham Giants will embark on our **48th** year of bringing youth football to the town of Raynham. The Giants have a long and storied history of developing and fielding highly competitive and well-organized football teams, ranging in ages from 7-14 years old. Most importantly, as Giants, we pride ourselves as being the leader when it comes to safety standards and coach & player training. We were the 1<sup>st</sup> in the league to purchase state of the art helmets for all 3 competitive levels for our kids. We were the 1<sup>st</sup> team requiring EVERY coach to be CPR/AED certified through the American Heart Association. And we are now the 1<sup>st</sup> program to implement the Trusted Coaches Child Safety Course. This training is based on the standards set forth by the Protecting Youth Victims from Sexual Abuse and Safe Sport Authorization Act of 2017.

This past season, all three of our competitive teams earned their way (again) to play in the OCYFL DII Super Bowl. And I'm proud to say that ALL 3 TEAMS Mites, Peewees and Midgets Squads became 2018 Super Bowl Champions!

Unlike other football organizations around the country that are in decline, the Giants continue to grow! For a small town that should be a Division 4 organization, we field approximately 130 - Division 2 players every season. This only happens because of the high level of commitment by our dedicated staff of coaches and parent volunteers. Not one of our board members or coaches are paid. We are all volunteers who put 100% back into the community. Our central mission is to provide Raynham's youth with a positive environment in which they learn the game of football while affording them with first-rate instruction, playing facilities and the safest equipment.

Toward that end, we are seeking community support in the form of participation in our Program Advertising / Booster Book, which will be given to all fans at all our home JV and Varsity games. Through the power of our valued business community partners, your contributions along with the dedication of our staff will allow us to maintain a tradition of providing a competitive atmosphere filled with fun, learning and safety!

In addition to your advertisement appearing in our book, all Half page, Full page and Banner sponsors will have a link to their website via our sponsor page at [www.raynhamgiants.com](http://www.raynhamgiants.com) along with "page likes" on our Facebook page.

Attached for your review are the 2019 Program Advertising/ Coupon Book rates. We appreciate any support you can provide to the Raynham Giants as we strive to continue representing the Town of Raynham in the best possible manner.

Thank you,

Jeremy Melusky  
President, RGYF
